

We are family • All are welcome • You are loved

21st September 2026

Dear Parents/Carers,

Year 5 Anglo-Saxon Workshop – Wednesday 2nd December 2026

To support their history learning, on Wednesday 2nd December, all Year 5 children will be taking part in an Anglo-Saxon workshop at school, run by Catherine McDade from History to Life.

The day will cover a huge amount about the Anglo-Saxons with the children learning about Sutton Hoo and having the opportunity to handle and draw different artefacts. They will examine Anglo-Saxon runes, learn how to play Anglo-Saxon board games and explore life in Anglo-Saxon houses. The highlight of the day is where the children take part in battle formations and tactics!

The total cost of the workshop is **£7.58 per child**. In order for the day to go ahead, we kindly request voluntary contributions from parents, which are now available to pay on Arbor.

We are aware that the cost of this workshop may prove prohibitive for some families and therefore we would like to remind you that help may be available from the Lady Elizabeth Hastings Trust. If you would like us to apply for a full grant on your behalf then please discuss this with Mr Cook or Mrs Azimikorf in the school office in complete confidence.

Kind regards,

Miss Walker (Year 5 Class Teacher)
